Let the soft fur of our genuine Gotland's sheep warm your frozen hands this winter

Swedish Ice Scraper® is unique in its functional Swedish design, laser cut from 6 mm solid Acrylic glass for extra strength in the scraping motion

More benefits of our quality concept:

- Asymmetrical shape provides "plow effect" and facilitates access to tight angles
- Diamond polished scraping edges
- Built-in windshield wiper cleaner
- Clean windows are better security in winter traffic

Read more about our philosophy on ice scrapers here www.swedishicescraper.se

Our most exclusive model; "Clear Frost Sheepskin", is equipped with a hand holder made of warming fur from genuine Swedish Gotland Sheep - known worldwide for its quality and thermal properties

*A nice gift for the automobile enthusiasts who already has everything
Price SEK 375 includes a cardboard gift box*

Swedish Ice Scraper® can be purchased from our online store on www.swedishicescraper.se

Best Regards
Swedish Ice Scraper®
